

PARTY FOR THE PARKS

Kick your cabin fever to the curb and help us connect students with nature...all in one night.

Since 2009, Friends of Metro Parks has been funding *Outside Is In*; a program that gets Akron Public School students outside to connect with nature. And we're proud that, in partnership with Summit Metro Parks, we are expanding and rebranding the program as *Pathways to Parks*. Your support will help us expand the program's reach to bring more young people to the parks.

Friday, March 24, 6pm-10pm at Summit Art Space

Celebrate your spring fever and PARTY FOR THE PARKS! Bid on art by expert photographers who capture the essence of Summit Metro Parks and rock out to the tunes of Zach and the Bright Lights. Drink by R. Shea Brewing (with a special "park" brew) and food by their new partner, Diamond Deli.

Parking is free and convenient.
